

# GRANTS MAKE A DIFFERENCE

Terwilliger Plaza Foundation is here to raise money and to share it with our Plaza community. Your Foundation Board reviews grant requests that have been brought to their attention by members, staff and the management team. If the request fits our mission and funds are available, then the decision is quickly and happily made.

## MEMBERS STORIES TOLD THROUGH WELL ARTS PROJECT

From the moment they heard "...your story, a story about you," Terrace and Metcalf members were curious to see who would be interested in *their* stories. Some shared tales of their childhood life abroad, while others could only remember bits and pieces of yesteryear. Each was still anxious and happy to share for the scribes, who are volunteers for Well Arts Institute and who hung on every word. Their ears listened for thoughts that triggered more memories and heard them. They recorded each word capturing tales from long ago.

*Lucy Howard talks about her childhood with Well Arts Volunteer.*

Well Arts brought to Terwilliger Plaza the crafty, creative talents of local writers, actors and artists who, through questions and props, coaxed stories and songs that members shared freely. Each collection became an individual book, where together a collection was born that members, family, friends and Terwilliger Plaza staff will look upon fondly and share for years to come. And upon the close of this 10-week project, members felt a sense of pride not only in their ability to remember and share, but to have been celebrated with a live reading to a packed house of members and staff. Their stories came alive in the readings by the volunteers, and it was appreciated beyond measure.

Thanks to a Foundation grant request for \$1600, our Health Services' Activities department was able to provide this unique experience forming a wonderful friendship between two important community organizations.

*Al Geiss remembers his wife, Ruth, in his stories of their life together.*

## "SEEING" HOW GRANTS HELP

In October, Member Services has arranged for our members to benefit from an Eyeglass Repair Clinic. Donny McGee will check over your eyewear and tighten, clean, repair what he can. You may bring him your readers, your long-distance, your bi-focals and tri-focals, and at no charge to you, thanks to a grant from the Foundation, you can have those peepers checked over.

## GRANTS SERVING OUR VETERANS

In March, member Bill Collins came to the Foundation asking if it would be an appropriate grant request to help our Veteran's Luncheon provide a small stipend to some of our visiting speakers. The Foundation Board said, "Yes."

The Veteran's host the monthly luncheons and invite retired and active service personnel to speak on their experiences. We're happy to give a little something back to them as a thank-you for their time and service.

# SUMMER SOLSTICE REFLECTIONS

Thank you to all who attended, sponsored and made in-kind donations to support this year's Summer Solstice. The net proceeds of \$3,407 were designated to our "Current Needs" of the Lesta Hoel Trust Fund.
