

EMPLOYEE *of the* MONTH

Congratulations to the 2011 January Employee of the Month

Amy Martin

Amy has worked for us since November 30, 2009, as both Activities Assistant and Communications Assistant. She has been voted the January Employee of the Month based on the Plaza's Statement of Values.

"I was so impressed by the way Amy, who works at the front desk, handled this evening's confused bus trip to the symphony concert. She was organized, calm, resourceful, trying to reach all of the appropriate persons to solve the problem. And beyond all those qualities, she also expressed great concern for the members inconvenienced by the situation, even though none of it was, in any way, her fault. She really represents the Plaza well, always a helpful, warm, and cheerful presence at the desk, but here she also proved how skillful she is at working out a major problem."

On behalf of the Terwilliger Plaza Members & Management Team, Amy, we say Congratulations and Thank you!

January EOM Nominations were also received for the following employees: Lynda Devery, Shon Pruitt, Deb Svendsen and Eric Vause
